PLANT HIRE DISCLAIMER

A quick note on our plants...

Because we work with real, living plants, no two are exactly the same - and that's part of the magic. While we aim to match the look of our catalogue, natural variations may occur.

Pricing shown is based on standard plant sizes. Larger or more statement plants may incur an additional cost - just ask us for a quote.

Plants are subject to seasonal availability, but we'll always substitute with something equally beautiful if needed.
